Wishbone Gold Plc / Index: AIM: WSBN / Sector: Natural Resources / NEX: WSBN

Shares Admitted to Trading on AIM

It has been identified that due to administrative errors, the number of ordinary shares of 0.1 pence each ("Ordinary Shares") that are in issue and have been previously announced does not match the number for which applications have been made for admission to trading on AIM. The Company has therefore applied for 38,656,937 Ordinary Shares to be admitted to trading on AIM on 28 January 2019 ("Admission"). The total number of Ordinary Shares in issue and admitted to trading on the NEX Exchange remains unchanged at 2,658,378,980. Following Admission, the number of Ordinary Shares admitted to trading on AIM will also be 2,658,378,980.
