Wishbone Gold Plc / Index: AIM / Epic: WSBN / Sector: Natural Resources
Wishbone Gold PLC ("Wishbone Gold" or the "Company")

—

Wishbone Gold, an exploration and acquisition company focused on precious metals (gold and silver), are pleased to be presenting at Proactive Investors Mining Capital conference on May 10 2016.

Richard Poulden CEO will be presenting at the Mining Capital conference and is scheduled to speak between 12:30 – 13:00. The event will take place at The Brewery, 52 Chiswell Street, London EC1Y 4SD.

Chairman and CEO Richard Poulden will offer an update on the company's Australian gold properties and give an overview on Wishbone's recent acquisition of privately-owned Black Sand FZE. There will also be ten minutes of Q&A after Richard's presentation.

Earlier in 2016, Wishbone Gold plc added to the potential of its exploration assets by the acquisition of the UAE based gold trading business Black Sand FZE. Black Sand is licensed as a precious metals and gem trader in the UAE and offers a secure supply chain from mine to trade. Black Sand brings existing supply agreements, and a strong pipeline of further deals.

Black Sand currently operates in South America which is widely recognised as a major global source of gold whilst offering an historically secure political and economic environment in which to operate. Suppliers are subject to extensive due diligence, and all suppliers are subject to vetting with their respective embassies. All trading and supply authorisations are checked with Government and Trade Commissions. Supply contracts set out the precise terms of trade and volumes.
