Wishbone Gold to present at Shares Investor Evening on 10 July

Wishbone Gold Plc (AIM: WSBN, NEX: WSBN), the precious metals trading and exploration company, is pleased to be presenting at the Shares Investor Evening on Tuesday 10 July at the Novotel London Tower Bridge.

Chairman and CEO Richard Poulden will be presenting an overview of the Company's strategy and its latest activities.

2017 has been a year of continued growth for the Wishbone Group, primarily attributable to the continuing expansion of the Company's roll out of its artisanal mining strategy in Africa. Wishbone is developing opportunities in Central America, Africa and Asia. The Company is supplying expertise and equipment to artisanal miners, serving to lock up the supply chain and provide a solid trading base for the future.

Presentations will start at 1800 and finish at approximately 2030 followed by a networking reception. Richard Poulden is scheduled to speak between 6:30pm to 7:00pm.

The Shares Investor Evening is held at the Novotel London Tower Bridge, Conference room: Bank Suite (Level - 1), 10 Pepys Street, London EC3N 2NR
